World Leader in HIFU

- Fully Robotic Procedure
- Consistent Outcomes
- Comprehensive Physician Training
- Proven Quality of Life Preservation

Meet THE Experts

Live Demos

Stefan Thüroff, MD-PhD
Harlaching Hospital
Munich - GERMANY

- 3,000 procedures performed
- 100 urologists trained around the world

Everyday at 11 AM and 2 PM
Booth #4107
**Friday, May 6, Noon-1:00 PM - Room 6A**

**Late-Breaking Session: High-intensity Focused Ultrasound - Hope or Hype?**

**Friday, May 6, 3:30 PM-5:30 PM - Room 30 ABC**

**MP18-06 / Salvage External beam radiation therapy (EBRT) for local recurrence after High Intensity Focused Ultrasound (HIFU) failure versus Salvage HIFU for local recurrence after EBRT failure: A Matched Pair Comparison.** Ji-Wann Lee, Albert Gelet, Lyon, France, Jeremy Soria, Clermont Ferrand, France, Marc Colombel, Pascal Pommier, Lyon, France, Christelle Melodelima, Grenoble, France, Olivier Rouviere, Lionel Badet, Sébastien Crouzet*, Lyon, France.

**MP18-17 / Comparisons of Oncological and Functional Outcomes among Radical Retropubic Prostatectomy, High Dose Rate Brachytherapy, Cryoablation and High-intensity Focused Ultrasound for Localized Prostate Cancer: A Prospective, Controlled, Nonrandomized Trial.** Po Hui Chiang*, Yi Yang Liu, Kaohsiung, Taiwan.

**MP18-19 / Local Radical Tumor Ablation through Combined Transurethral Resection and Transrectal High Intensity Focused Ultrasound: A valid therapy to treat High Risk Prostate Cancer?** Christian Chaussy*, Regensburg, Germany, Stefan Thüroff, Munich, Germany.

---

**Plenary I : Late-Breaking Abstracts**

**Monday, May 9, 11:40 AM-Noon**

**Hemiablation HIFU for Unilateral Localized Prostate Cancer: a Prospective Multicenter Trial.** Pascal Rischmann*, Toulouse, France, Albert Gelet, Lyon, France, Arnauld Villers, Lille, France, Gilles Pasticier, Bordeaux, France, Olivier Rouvière, Lyon, France.
